

## Appendix 6: Template for Evaluation of Solutions

Title of Challenge:

Company:

Co-creation Team:

Criteria (same for INDUSAC Evaluation Board and for companies):

Evaluation criteria	Weighting	Max scoring	Max scoring with weighting	Score	Evaluator
<b>Deliverable quality</b>	30 %	10	3		company
<b>Business performance indicators / Technical performance indicators</b>	60 %	10	6		company
<b>Deadline compliance</b>	10 %	10	1		points given automatically if the Solution is submitted on time
<b>Total</b>	100 %	30	10		

**Scoring system** with scores 0 to 10 (no decimals).

wherein:

0 - no effort made to fulfill any of listed aspects

1-2 - some aspects were not covered or all aspects were covered poorly

3-4 - all aspects covered but at least half of them poorly

5-6 - all aspects covered, some of which are covered poorly while others could be improved

7-8 - all aspects clearly presented but could be improved

9-10 - all aspects clearly and satisfactorily presented

- Students from co-creation teams with Solutions scoring above the threshold (7 points) will receive payment.

Decision: \_\_\_\_\_

Justification for the company to describe the deliverable quality (select one option)

- Approve the Solution: The submitted deliverables are of excellent and of very high quality.

- Approve the Solution: The submitted deliverables are of high quality.
- Approve the Solution: The submitted deliverables are of acceptable quality.
- Reject the Solution: The submitted deliverables are of very low and unacceptable quality.
